The SEAPEX Philatelic Exhibition will have 200+ exhibition frames. In the past years, we noted more collectors attending with more interest in viewing the exhibition. This national level show is three days (Friday through Sunday) and we have APS-approved World Series of Philately status for the exhibits. Several philatelic groups will have meetings during the show. The US Postal Service and UN Postal Administration will have sales booths. We will host a special ceremony commemorating the theme of the show. SEAPEX is a 501(c)(3) organization.

Please consider coming to Seattle and being a dealer at this show. The SEAPEX Committee has contracted with the Residence Inn Seattle South as our official hotel. Check out our website www.seapexshow.org for information about the show and list of dealers that have signed up.

We will provide details on unloading and set-up in a future letter. The Tukwila Community Center has free parking and easy access for unloading and loading. The room is 10,000+ square feet and is carpeted.

To assist in the preparation of the flyer sent out as part of the show advertising and to update our website, please put a short note on the application informing customers about new collections, stamps, covers, and other material you will have at the show. We will include this information as part of your listing in the show program. Ads are available in the program: full-page \$50, half-page \$35, one-third page \$25.

We advertise this show at all the clubs in the Everett-Seattle-Tacoma-Olympia area, members of the Northwest Federation of Stamp Clubs, national publications, local press, direct mailing to APS members and our own mailing list, and on our regular show website and on Facebook.

Thank you for your consideration and support of SEAPEX.
